

Maths-

In maths we will be looking at shapes and measurements including:

- recognising the features of 2d and 3d shapes
- Angles
- Position and direction
- Money
- Time
- Mass
- Capacity

Literacy-

We will all be continuing work on our handwriting skills.

All children receive weekly spellings that match up with their levels and spelling shed activities will match these spellings.

This term's non-fiction focus is on letter writing and crating a brochure about a local beach.

The fiction focus is using Kensuke's Kingdom by Michael Morpurgo to write a beach adventure story.

Reading-

This term we will be

continuing with our home reading challenge. Can you read 5 times at home and have your record signed to win a little prize every Friday. Remember to move your bee up Lapwings.

Science-

This term we will be investigating electricity and circuits

Computing-

This term we will be looking at editing audio.

Physical Education-

This term we have swimming on Thursday's and dance with Nicole on Friday's.

Relationships, Sex and Health Education-

This term we will be working on health, wellbeing and lifestyle.

Religious Education-

This term we will be investigating Sikhism.

History

This half term we will be looking at the history of the seaside and how things have changed over time. This is both human and physical changes.

Lapwings Class, Summer 2

Art & Design-

This half term we will be exploring painting and printing. This will be including using paints to add texture and also creating patterns.

Geography

This half term we will be comparing and contrasting the physical and human changes that have impacted the coast line.

As part of this we will be visiting two beaches and looking at the differences and similarities between them

Music-

This term we will be exploring music influenced by the sea including sea side songs and sea shanties.
